

THE 2015

AMMCS-CAIMS CONGRESS

JUNE 7-12

WATERLOO, ONTARIO, CANADA

Mathematics and Computation in Biological Sciences and Medicine
Partial Differential and Integral Equations in Mathematical Modelling
Applications of Dynamical Systems and Differential Equations
Computational Physics and Chemistry
Computational Algebra, Combinatorics and Optimization
Mathematical Models in Social Sciences
Computational Mechanics and Engineering
Financial Mathematics and Computation
Statistical Modelling
Mathematical Modelling in Environmental

PLENARY SPEAKERS

Rémi Abgrall University of Zurich
Réka Albert Pennsylvania State University
Tomasz Bielecki Illinois Institute of Technology
Chris Budd University of Bath
Paul Fischer University of Illinois
Wing Kam Liu Northwestern University
Stéphane Mallat Ecole Normale Supérieure
Kees Oosterlee Delft University of Technology and CWI
Sebastian Schreiber University of California, Davis
Eric Vanden-Eijnden Courant Institute,
New York University
Yingfei Yi University of Alberta
Nicholas Zabaras University of Warwick

SEMI-PLENARY SPEAKERS

Stephen Anco Brock University
Mike Bennett University of British Columbia
Tom Hurd McMaster University
Eduard-Wilhelm Kirr University of Illinois
Georges Zaccour École des Hautes Études
Commerciales de Montréal
